TECHNOLOGY LEADERSHIP

Centi aroma deeply cultivate core two-fluid atomization technology, continue to increase R&D investment to build technical barriers.

Independent R&D

Focusing on the design and R&D of fragrance equipment, guided by the product concept of aesthetic practicality and intelligent simplicity, we support customized demands and provide customers with comprehensive solutions for space fragrance diffusion systems.

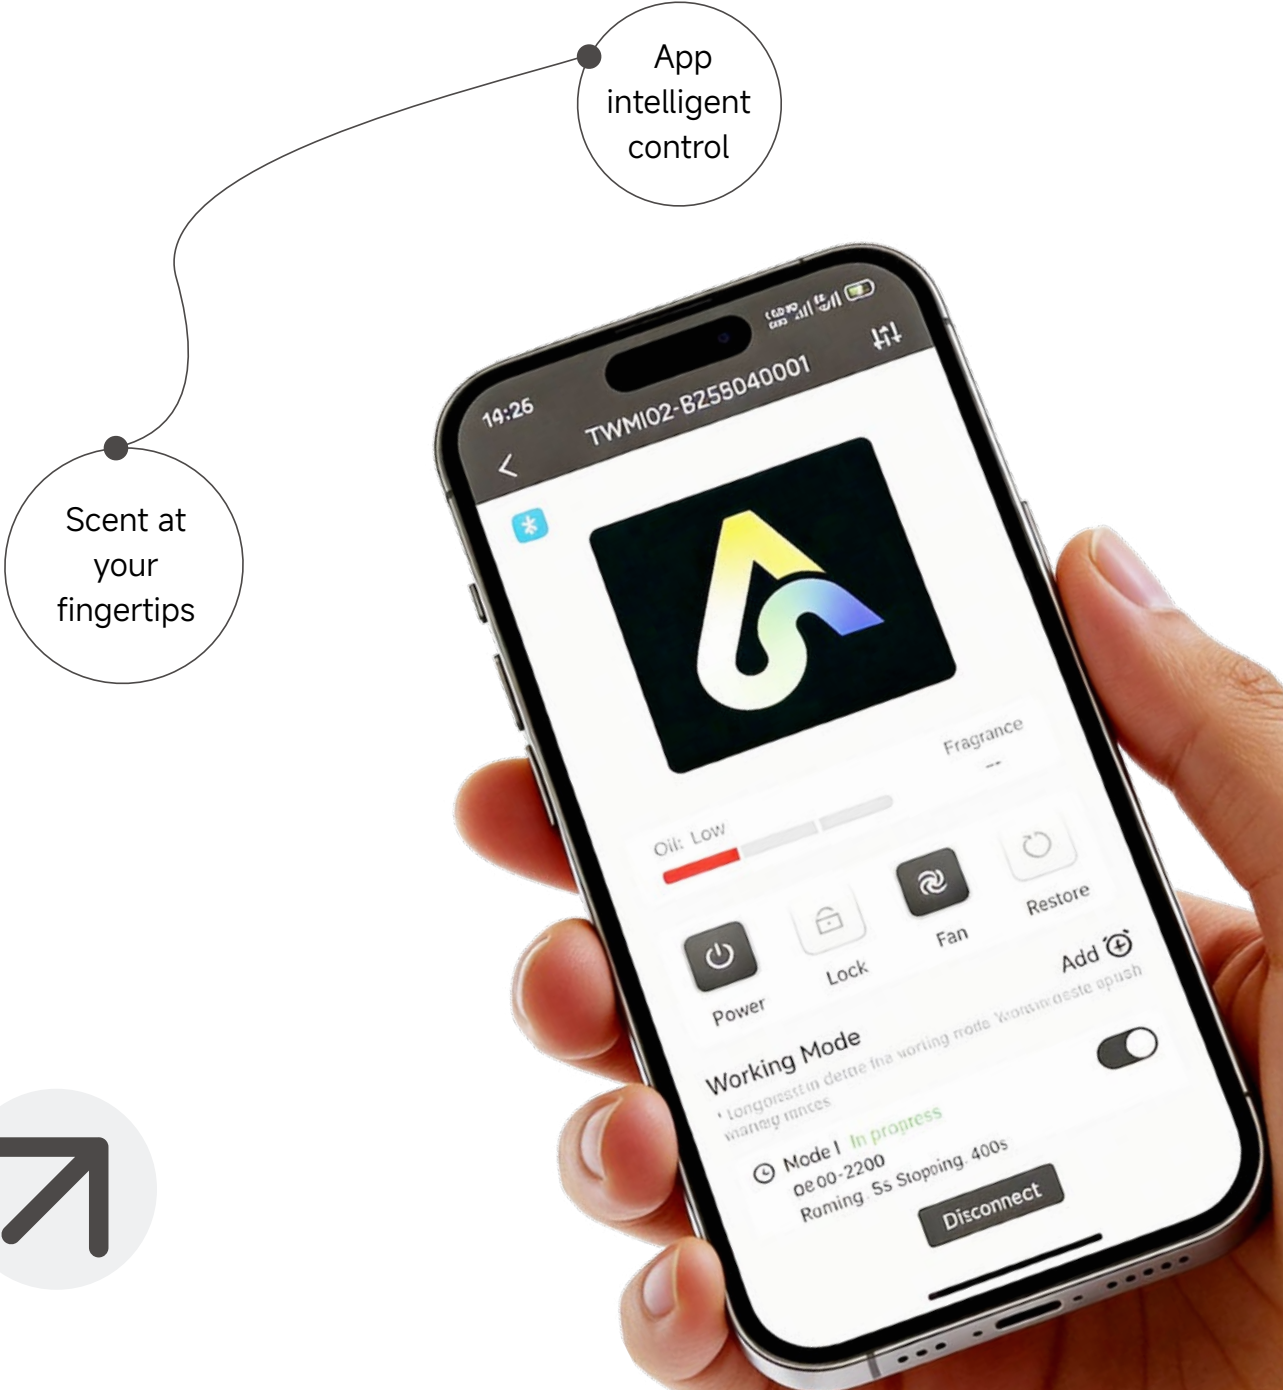

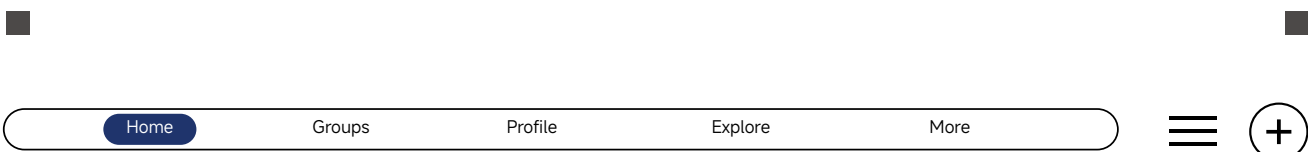

Two-fluid Theory

Our diversified product matrix covers multiple application scenarios, helping brands build exclusive olfactory identities. Relying on multiple independent intellectual property rights and the industry-leading core technology of two-fluid atomization, we lead the development direction of the industry through independent R&D.

Digital Intelligence Drive

Full-link digital intelligence upgrading, improve internal efficiency and accurately respond to customer differentiated demands.

FULL-CHAIN EMPOWERMENT · SERVING GLOBALLY

We adhere to the core philosophy of "Craftsmanship Quality, Customer First", and have built a full-industry closed loop from R&D and production to market service, achieving efficient integration of technology, production capacity and market demand.

Supported by ISO9001 Quality Management System, ISO14001 Environmental Management System and ISO45001 Occupational Health and Safety Management System certifications, we provide customers with full-cycle solutions including fragrance customization, equipment selection, installation and maintenance relying on our professional team and one-stop service capabilities.

Size: 78×78×142mm	Colour: Black&Gold/Black/White/Black&Silver
Weight: 280g	Material: PP
Input: Type-C 5V/1A	Power: 2W
Capacity: 10mL	Noise: < 36dba
Coverage: 10-50m ³	Installation: Lay flat
Operation: Touch button	

TW-HP01

Product information

Size: 60×80×198mm	Colour: Black/White
Weight: 250g	Material: PP
Input: 110-240V	Power: 2.1W
Capacity: 150mL	Noise: < 36dba
Coverage: 100m ³	Installation: Socket
Operation: Touch button/Bluetooth	

TW-HP02

Product information

Size: 80×80×272mm
Colour: White/Black
Weight: 300g
Material: PP
Input: Type-C 5V
Power: 10W
Capacity: 50mL
Noise: < 36dba
Coverage: 30~200m ³
Installation: Lay flat
Operation: Remote/Button/Bluetooth

TW-RA01

Product information (Standard type)

Size: 87×87×293mm	Colour: Black/Silver/Gold
Weight: 685g	Material: Aluminum alloy
Input: Type-C 5V/2A	Power: 1.5W
Capacity: 120mL	Noise: < 34dba
Coverage: 200m ³	Installation: Lay flat
Operation: Remote/Touch button/Bluetooth	

Product information (Li-battery type)

Size: 87×87×293mm	Colour: Black/Silver/Gold
Weight: 730g	Material: Aluminum alloy
Input: Type-C 5V/2A	Power: 5W
Capacity: 120mL	Noise: < 34dba
Coverage: 200m ³	Installation: Lay flat
Operation: Remote/Touch button/Bluetooth	

TW-RA03

Product information (Standard type)

Coverage: 200m ³	Installation: Lay flat
Operation: Remote/Button/Bluetooth	

Product information (Li-battery type)

Size: 87×87×293mm	Colour: Black/Silver/Gold
Weight: 800g	Material: Aluminum alloy
Input: Type-C 5V/2A	Power: 5W
Capacity: 120mL	Noise: < 34dba
Coverage: 200m ³	Installation: Lay flat
Operation: Remote/Touch button/Bluetooth	

TW-UA01

Product information (Standard type)

Size: 104×104×304mm	Colour: Black/Silver
Weight: 815g	Material: Aluminum alloy
Input: Type-C 5V/2A	Power: 5W
Capacity: 120mL	Noise: < 34dba
Coverage: 200m ³	Installation: Lay flat
Operation: Remote/Button/Bluetooth	

TW-TA01

Product information

Size: 185×185×930mm
Colour: Black/Silver
Weight: 2.1kg
Material: Aluminum alloy
Input: Type-C 5V/2A
Power: 5W
Capacity: 120mL
Noise: < 34dba
Coverage: 200m ³
Installation: Lay flat
Operation: Remote/Button/Bluetooth

TW-BP01

Product information (Standard type)

Size: 132×63×174mm	Colour: Black/White
Weight: 415g	Material: PP
Input: Type-C 5V/1A	Power: 1.2W
Capacity: 150mL	Noise: < 38dba
Coverage: 100-300m ³	Installation: Lay flat/Wall
Operation: Touch button/Bluetooth	
Battery type: Three No.1 dry batteries (Batteries not included; please purchase separately)	

Product information (Bluetooth type)

Size: 132×63×174mm	Colour: Black/White
Weight: 415g	Material: PP
Input: Type-C 5V/1A	Power: 1.2W

Essential Oil Uses

FOR COMMERCIAL FRAGRANCE SOLUTIONS

In expansive commercial environments like hotels and shopping malls, integrating fragrance essential oils with space diffusion systems delivers a soothing and inviting ambiance.

FOR OFFICE SPACES

In office areas such as reception zones, open-plan workspaces, and meeting rooms, using fragrance essential oils with a space fragrance system helps create a professional and comfortable atmosphere.

FOR HOME FRAGRANCE

Using reed diffusers or space fragrance devices with essential oils, fragrance can be released to eliminate unpleasant odors in the home—enhancing sleep quality in the bedroom, creating a relaxing atmosphere in the living room, and neutralizing odors in the bathroom.
